

2019 Community UNite Application

Thank you so much for your interest in **Missoula's longest standing pint night** that gives back! KettleHouse Brewing Company's **Community UNite** was created by the desire to give back to the Missoula community that has helped us in so many ways. **Community UNite** allows you to celebrate your cause and earn money for your organization or event.

- During **KettleHouse Community UNite** organizations receive \$1.00 from every pint purchased between 5-8pm.
- The success of your UNite event depends on your organization's efforts. **YOU** promote your **UNite** and your organization; **WE** provide the space and locally brewed, fresh, award-winning beer!
- **HELP** us reach this year's **Community UNite** donation goal of \$6,000. As a bonus incentive, the organization who is most successful (in terms of pint purchased) in 2019 will be awarded an extra **\$1,000**.
- We will provide a promotion idea document to help in your efforts. We'll also **promote** your event on our Facebook page, our website & in the taproom on our **UNite** board.
